WHY LEAD GENERATION?

- One of the fastest and easiest ways to get the attention of your target audience
- Build a new list of qualified leads quickly
- Present solutions and educate your prospects and clients
- Lower cost to reach your target market
- Reach a national and international audience
- 80% of marketers rate webinars as one of their top 3 marketing tactics for lead generation (Forrester Research)
- 60% of decision makers attended a webinar in the last month (MarketingSherpa)

Cambridge Healthtech Institute (CHI) understands how imperative it is to spend less time searching for quality leads and more time generating new business and closing sales. We can help you develop a year-round, integrated marketing strategy incorporating lead generation into your mix.

CHI has a proven track record of **meeting and exceeding** our lead guarantee!

What CHI Lead Generation Clients Have to Say

“ Working with CHI to generate targeted, qualified prospects has been an excellent experience for Computype; they’ve delivered on everything promised. We couldn’t be happier with both the quality and quantity of the outcome. ”

—Kelly Hansen, Marketing Project Manager, Computype, Inc.

“ Quanterix is developing a revolutionary ultra-sensitive platform for protein detection based on its Simoa technology. To augment market development efforts in preparation for a commercial launch, Quanterix engaged with CHI on several events, ranging from a market research survey to multiple webinars. CHI has been very easy to work with, responsive, and very effective in generating high quality marketing leads that greatly exceeded our expectations. Simply put, CHI delivered! ”

– David Hanlon, Director, Business Development and Strategic Collaborations, Quanterix

“ The Gyros, Inc. webinar series with CHI Healthtech has broadened our reach to the biotherapeutic market globally. CHI has provided access to their mailing list of over 700,000 contacts and a marketing engine to promote, execute and obtain continuing qualified interest in key target markets related to each webinar. They work with us collaboratively to continually improve promotion, best practices and ROI reporting for a successful webinar program that has increased Gyros’ reach, registration, attendance and more importantly market awareness and lead generation for immunoassays in life sciences. ”

– Joy Concepcion, Marketing Manager, Gyros, Inc.

“ CHI has helped us further penetrate the Life Sciences industry using successful lead generation programs with a high degree of professionalism and delivered clear and measurable ROI. We have been able to leverage their deep knowledge of the market as well as broaden our awareness in the marketplace. Their turnkey solution means they do all the legwork - all we had to do was create the content and show up to deliver the webinar! We look forward to developing our long-term relationship. ”

– Richard Heitmann, VP, Marketing, Aspera

“ Working with CHI to host our webinars has been a successful experience from start to finish. The CHI team is consistent, supportive and readily available to answer questions and provide updates on the status of the events. Their marketing efforts, coupled with our presentation of novel translational research services, has introduced Biomodels to hundreds of connections, some quickly turning into clients. ”

– Ashlee Coyne, Business Development Manager, Biomodels
